Sir,

Sub:-Excise Intelligence- Preparation of Maps of By-routes at  
Borders and Progress of investigation of Cases - report  
called for -Reg-

Ref:-1). Direction of Hon'ble Excise commissioner in the  
previous monthly Conference.

2). Circular No. EXC/2/2021/Excise dated.08.01.2021 of  
Hon'ble Excise commissioner

Attention is invited to the Subject and references cited.  
Hon'ble Excise Commissioner directed us to do two things in the  
previous monthly conference; viz:

1. In the border district there are plenty of by- routes other than  
the main roads. These also need to be under surveillance and  
patrolled during the election special drive. Deputy Excise  
Commissoner's will prepare a map of such routes and our  
Intelligence units should provide necessary help in this regard.
2. There is a standing direction that all major cases should be  
charge sheeted within the remand period itself .Hon'ble Excise  
Commissioner has directed all Deputy Excise Commissoner's  
to prepare a special list of these cases and ensure that they  
are chargesheeted within the time limit. Now Hon'ble Excise

Commissioner has directed Intelligence unit's also to watch the progress and report in case of failure.

Yours faithfully,

Joint Excise commissioner  
E.I&I.B, Thiruvananthapuram
